

Recommended Reading List / Further Resources

Books:

“The Goal” by E. Goldratt – A fictional entertaining story following a factory manager who turns his plant around using the epically influential “The Theory of Constraints”. A great read and a must read
<https://www.amazon.co.uk/Goal-Process-Ongoing-Improvement/dp/0566086654>

“Operations Management” by Nigel Slack – The definitive text book
<https://www.amazon.co.uk/Operations-Management-Prof-Nigel-Slack/dp/1292253967>

“Process Theory” by Matthias Holweg and others
A superb and accessible book, unifying the theory of operations management for real world practitioners.
<https://www.amazon.co.uk/Process-Theory-Principles-Operations-Management/dp/0199641064>
